## Light It Up!

Images and Vision

Sort Transparent,  
Translucent, Opaque

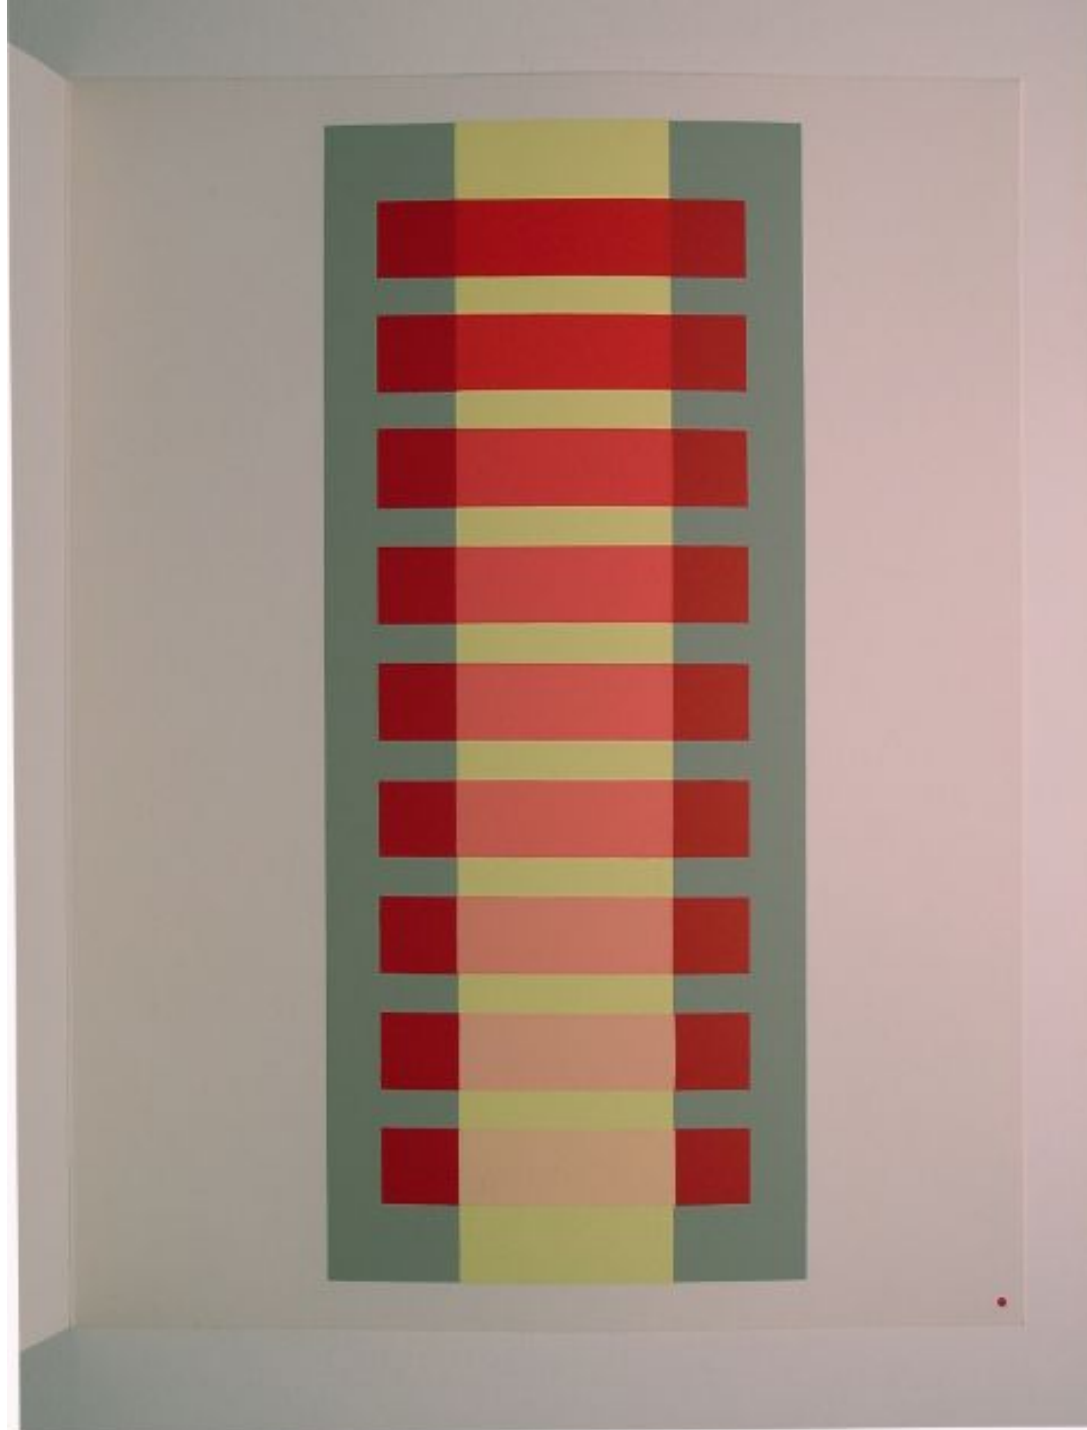

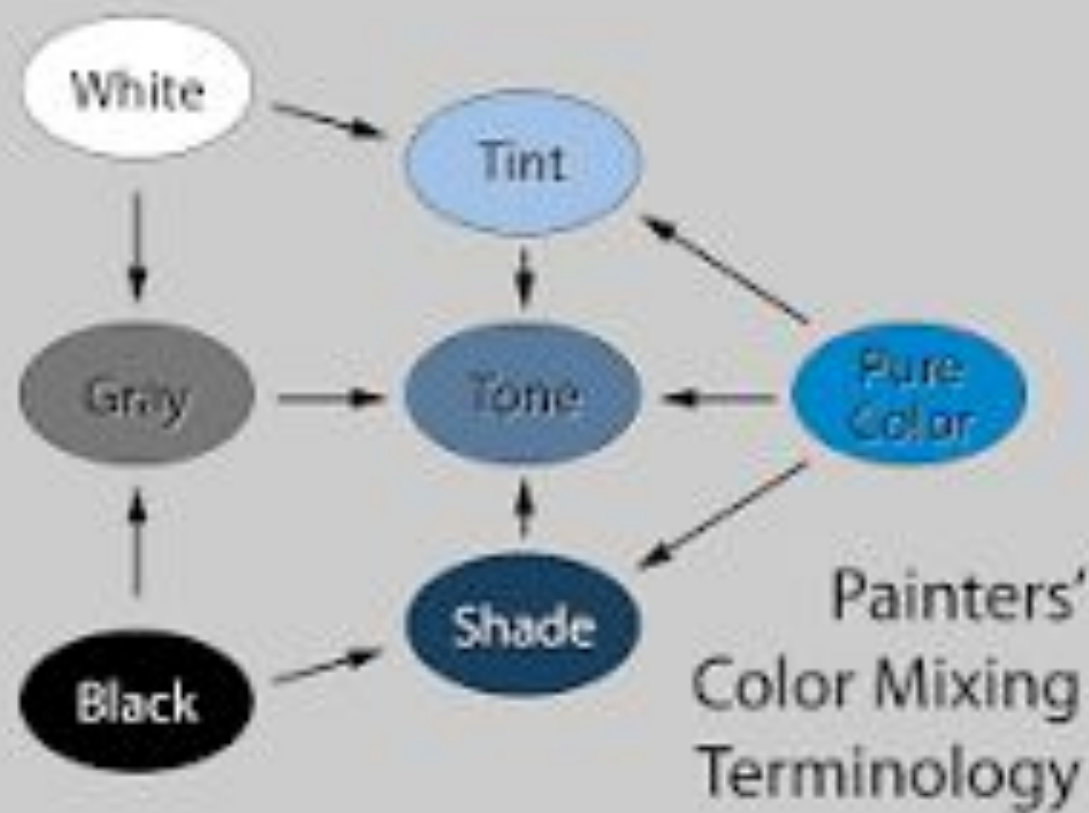

A diagram illustrating three levels of opacity. On the left, a dark gray, wavy shape is labeled 'Opaque'. In the center, a light gray rectangular area is labeled 'Translucent'. On the right, a white rectangular area with a dark gray border is labeled 'Transparent'. The 'Translucent' area is partially overlapping the 'Opaque' shape and the 'Transparent' area. The 'Transparent' area is a rectangle with a dark gray border. The 'Translucent' area is a rectangle with a light gray fill. The 'Opaque' shape is a dark gray, wavy shape. The labels are in blue text on white rectangular backgrounds.

Opaque

Translucent

Transparent
